2012 Malaysian Textile Manufacturer's Association Webinar Series

When a T-shirt is Not a T-shirt:
Apparel Classification under the Harmonized Tariff Schedule

FRIDAY, FEBRUARY 17, 2012
10:00AM - 11:30AM SGT

T-shirt, blouse, tank top, pullover or knit top; what is the difference and why does it matter? Is your favorite pair of flannel pajama bottoms really sleepwear? This 1.5 hour webinar will provide answers to these textile apparel classification quandaries and many more, including:

- Handling composite goods versus sets;
- Essential character;
- The jackets versus shirts quandary;
- Complexities of knit tops;
- The sleepwear versus loungewear conundrum;
- Principles for coated apparel versus water resistant apparel; and
- Distinguishing swim trunks from shorts.

Presented by [Elise Shibles, Esq.](#) of Sandler, Travis & Rosenberg, P.A., this comprehensive discussion of textile apparel classification will also include an interactive question and answer session (time permitting) during which participants can raise issues pertinent to their respective apparel products.

Cost: \$175
